

## U9 Jamboree

Saturday, March 9, 2019

Edmonton Soccer Center – South

The goal of the Jamboree is to raise awareness and development with our younger players. This is achieved through AGE and GAME appropriate exercises and game concepts. We offer this in both Community and Premier (Selects FC). The Jamboree is a great way to get more touches on the ball and be able to train with our Selects Trainers.

The Selects FC Program is for those players who feel that soccer maybe their sport of choice and who aspire to play more competitive soccer as they get older. This program is more challenging than the Community Program and requires a higher commitment level from both players and parents(s). Our Selects Team Officials will be on hand to answer any questions you may have. So come and have some fun with us at the South Soccer Centre on Saturday, March 9<sup>th</sup>.
